THE PROMISES

If we are painstaking about this phase of our development, we will be amazed before we are halfway through. We are going to know a new freedom and a new happiness. We will not regret the past nor wish to shut the door on it. We will comprehend the word serenity and we will know peace. No matter how far down the scale we have gone, we will see how our experience can benefit others. That feeling of uselessness and self-pity will disappear. We will lose interest in selfish things and gain interest in our fellows. Self-seeking will slip away. Our whole attitude and outlook upon life will change. Fear of people and of economic insecurity will leave us. We will intuitively know how to handle situations which used to baffle us. We will suddenly realize that God is doing for us what we could not do for ourselves.

AN A.A. GROUP

Traditionally, any two or more alcoholics meeting together for purposes of sobriety may consider themselves an A.A. Group, provided that, as a group they are self-supporting and have no outside affiliation. Groups listed in the schedule are listed at their own request. A schedule listing does not constitute or imply approval or endorsement of any Group's approach to or practice the traditional A.A. program.

The Twelve Steps of A.A.

1. We admitted we were powerless over alcohol- that our lives had become unmanageable.
2. Came to believe that a Power greater than ourselves could restore us to sanity
3. Made a decision to turn our will and our lives over to the care of God as we understood him.
4. Made a searching and fearless moral inventory of ourselves.
5. Admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. We were entirely ready to have God remove all these defects of character.
7. Humbly asked him to remove our shortcomings
8. Made a list of all persons we had harmed, and became willing to make amends to them all.
9. Made direct amends to such people wherever possible, except when to do so would injure them or others.
10. Continued to take personal inventory and when we were wrong promptly admitted it.
11. Sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out
12. Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics, and to practice these principles in all of our affairs.

THIRD STEP PRAYER

God, I offer myself to Thee— to build with me and to do with me as Thou wilt. Relieve me of the bondage of self, that I may better do Thy will. Take away my difficulties, that victory over them may bear witness to those I would help of Thy Power, Thy Love, and Thy Way of Life. May I do Thy will Always!

SEVENTH STEP PRAYER

My creator, I am now willing that you should have all of me, good and bad. I pray that you now remove from me every single defect of character which stands in the way of my usefulness to you and my fellows. Grant me strength, as I go out from here, to do your bidding. Amen.

ELEVENTH STEP PRAYER

Lord, make me a channel of Thy peace— that where there is hatred, I may bring love— that where there is wrong, I may bring the spirit of forgiveness— that where there is discord, I may bring harmony— that where there is error, I may bring truth— that where there is doubt, I may bring faith— that where there is despair, I may bring hope— that where there are shadows, I may bring light— that where there is sadness, I may bring Joy. Lord grant that I may seek rather to comfort than to be comforted— to understand, than to be understood, to love, than to be loved. For it is by self— forgetting that one finds. It is by forgiving that one is forgiven. It is by dying that one awakens to eternal Life. Amen.

This list is confidential and is furnished for the convenience of AA's in locating meetings. It is not to be used for any other purpose.

The Central Intergroup Office of the Desert Board of Directors set the following guidelines to list meetings in its directory:

1. The group should be in existence for 90 days or more.
2. The meeting should be listed with the Central Intergroup of the Desert Office annually or as often as listing details change. Officer of secretary contacts must register with full name, home address, and phone number changes.
3. All members of a group are alcoholics, and all alcoholics are eligible for membership.
4. As a group, they are fully self-supporting.
5. The group's primary purpose is to help alcoholics recover through the Twelve Steps.

The primary purpose of any A.A., group is to carry the A.A. message to alcoholics. Experience with alcohol is one thing all A.A. members have in common. It is misleading to hint or give the impression that A.A. solves other problems or knows what to do about addiction to drugs.

Our A.A. group conscience, as voiced by the General Service Conference, has recommended that "family" meetings, "double trouble", and "alcohol and pill" meetings not be listed in our A.A. directories.

6. As a group, they have no outside affiliation.
7. As a group, they have no opinion on outside issues.
8. As a group, their public relations policy is based on attraction rather than promotion, and they maintain personal anonymity at the level of press, radio, television, and film.
9. The difference between Open and Closed A.A. meetings *refer back to meeting codes.

Closed meetings are for A.A. members only, or for those who have a drinking problem and "have a desire to stop drinking"

Open meetings are available to anyone interested in Alcoholics Anonymous' program of recovery from alcoholism. Non-alcoholics may attend open meetings as observers.
